EDUCATION

Velammal Engineering College

Bachelor of Computer Science and Engineering

Chennai, Tamil Nadu

2022 – 2026

EXPERIENCE

UI/UX Designer, Frontend Developer

TamrielAGI

July 2024 – Present

Intern

- Frontend Developer and UI/UX Designer lead with hands-on experience as a current intern at TamrielAGI, focused on designing responsive interfaces and enhancing user experiences. Skilled in React, JavaScript, Figma and user-centered design, with a passion for delivering visually appealing, functional web applications.

UI/UX Designer

Critter Graphix

Sep. 2023 – Feb. 2024

Intern

- Completed the UI/UX design for an e-commerce website, along with interface designs for a real estate platform and a tailoring application. Gained hands-on experience in user interface design and improved skills in creating visually appealing user-centric designs tailored to industry-specific needs.

PROJECTS

FAQ Ai Assistance | *Figma , React , FastAPI*

July 2024 – Feb 2025

- Built a full-stack web application, implementing a high-performance FastAPI backend to serve a REST API, with React as the frontend for a seamless user experience.
- Designed and developed a responsive UI for the Chat and FAQ interface using Figma, ensuring a user-friendly and intuitive experience.
- Visualized GitHub data effectively and maintained clear, structured documentation to enhance team collaboration and project transparency.

DevJuice | *Figma , React , FastAPI , PostgreSQL*

March 2025 – May 2025

- Designing and developing a full-stack web platform to discover, submit, and manage developer tools.
- Implementing secure admin dashboard with JWT-based cookie authentication and super admin approval workflows..
- Building a FastAPI backend with PostgreSQL for scalable tool management and screenshot integration during submissions.

Bean Odyssey | *Figma , Photoshop , Branding , Package Designing*

Sep 2024 – Oct 2024

- Spearheaded the end-to-end branding and packaging design for a conceptual coffee brand, ensuring a cohesive and market-ready visual identity.
- Utilized Adobe Photoshop to create visually appealing and professional packaging designs, enhancing brand aesthetics and consumer appeal.
- Designed primary, secondary, and tertiary logos, aligning with the brand's theme to establish strong recognition.

Personal Portfolio | *Figma , React*

Jan 2025 – March 2025

- Designed and developed a dynamic portfolio website using React and Figma, incorporating a visually striking, modern pop design to create an engaging user experience.
- Implemented a responsive and interactive UI, ensuring seamless performance across devices while maintaining a bold and creative aesthetic.
- Optimized performance and accessibility, leveraging best practices in React development to enhance loading speed, usability, and overall user engagement.
