## WORK EXPERIENCE

UI/UX designer, Frontend developer Intern, TamrielAGI

May 2024 - Current

Frontend Developer and UI/UX Designer lead with hands-on experience as a current intern at TamrielAGI, focused on designing responsive interfaces and enhancing user experiences. Skilled in React, JavaScript, Figma, and user-centered design, with a passion for delivering visually appealing, functional web applications.

UI/UX designer Intern, Critter Graphix

Sep 2023 - Feb 2024

Completed the UI/UX design for an e-commerce website, along with interface designs for a real estate platform and a tailoring application. Gained hands-on experience in user interface design and enhanced skills in creating visually appealing, user-centric designs tailored to industry-specific needs.

---

## PROJECTS

- **Frontend for a chatbot**
    - Built a responsive chatbot interface using React, enabling efficient user-bot interactions with a clean, intuitive design.
  - **Artisan Coffee Branding**
    - Crafted brand identity and packaging for a coffee subscription, highlighting unique flavors, roasts, and brewing methods.
  - **Fitness App UI/UX Case Study**
    - Designed an intuitive interface and user experience for a fitness app, focusing on ease of navigation, goal tracking, and user engagement.
-
